GIN TASTING & CANAPÉS

Our gin tastings begin on the 8th February and run from 19:30 - 21:00 every other Friday.

Our gin mixologists will guide you through an innovative gin & tonic tour featuring our four small-batch gins and our reference gin, Gordon's (5 x 25ml servings) over the course of an hour and a half. Each gin will be served with the newly-launched Schweppes 1783 Premium tonic water range – both classic & flavoured.

To finish your luxury gin tasting experience, you will be able to choose your favourite gin to enjoy as a long drink with various garnishes (50ml serving).

Our gins will also be served alongside a selection of finely-crafted canapés.
